

Iranian Journal of Science and Technology, Transactions of Electrical Engineering

[Editorial board](#) [Aims & scope](#)

This journal aims to promote the growth of Iranian scientific research in all branches of electrical engineering and its related disciplines and to provide a medium for bringing the fruits of this research to the attention of the world's scientific communities. The focus is on frontier topics in the theoretical, mathematical, numerical, experimental and scientific developments in electrical engineering as well as applications of established techniques to new domains. — [show all](#)

International Journal of Engineering (IJE) is published in three quarterly transactions. *Transactions A* (Basics) deal with the engineering fundamentals. *Transactions B* (Applications) are concerned with the application of engineering knowledge in the daily life of the human being and *Transactions C* (Aspects) - starting from January 2012 - emphasize on the main engineering aspects whose elaboration can yield knowledge and expertise that can equally serve all branches of engineering discipline.

Editor-in-Chief: Prof. G.D. Najafpour, Ph.D.

Full Edition Title: International Journal of Engineering

ISSN: 1025-2495

e-ISSN: 1735-9244

Publisher: Materials and Energy Research Center

Since: 1988

Transactions Title	ISSN	e-ISSN
International Journal of Engineering	1728-1431	1735-9244

Welcome

IRANIAN JOURNAL OF ELECTRICAL AND ELECTRONIC ENGINEERING

The Iranian Journal of Electrical and Electronic Engineering (IJEEE) is an open-access peer-reviewed journal devoted to publishing original papers of high technical standards with a suitable balance of practice and theory related to the broad topics in the field of Electrical and Electronic Engineering.

Published by:

Iran University of Science and Technology (IUST)

Q3 IF= 1.1

Congratulations! It is with great pleasure that we announce IJEEE has moved to Q3 in the Electrical and Electronic
